Each team shall provide their own shelter. Each team will be assigned one 30' length x 20' width outside space. If you require a larger cooking area, please describe your reasons, including the size of grills, props and any other items used in your cooking set-up. You can use the back of this form or attach additional sheets if necessary. If you need less than the 30' length, please note how much length of space you need. The festival set-up team will make position assignment.

Cooking teams vending to festivalgoers shall be given first consideration to spaces closes to entertainment area to keep festivalgoers in the desired area. **Do not set up or drop off your equipment unattended without checking in with the set-up team.** No motor vehicles are to be left in the festival area after you set up to ease the flow of festivalgoers in the festival area. Motor homes used for your cooking or vending purposes will be permitted within your allotted 30' x 20' space. Areas for cooking team vehicles and sleepers are close by.

We value our barbeque cookers and we want to help you be successful. Your input will help us plan and position better for your safety and comfort. Thank you for your comments: (Because of work being done to the Square by the City, space will be at a premium. Please plan to make your site fit in the designated space limitation or less. At this time we anticipate there being fewer spaces available than in past years. At this time we do not know how many. We anticipate reaching capacity before the application deadline so please send your application in early if you wish to compete this year.)

CONTEST RULES AND REGULATIONS

1. **Categories:** Cookers may cook in any of the meat categories that are being featured: **Boston Butts, Ribs and Hash.** To promote fair competition the festival will provide the butts and ribs.
2. **Cooker on Site:** All meats in the barbeque competition must be cooked on-site without precooking or marinating. (See rules for the hash category.) A Team must have their meat inspected before cooking or preparing to cook. Only after official inspection can the meat be marinated, rubbed, and so forth as the cook wishes. All meat must remain on the team site after inspection and until ready to turn in. Meat may not be removed from the pit, taken into a closed area (camper, trailer, etc.) and then brought back out and placed on the pit.
3. **Sanitation:** Cooks are to prepare and cook meat in a sanitary manner. Cooking conditions are subject to inspection by the judging committee and local health department. Infractions identified by the judging committee shall be immediately corrected or the team will be subject to disqualification. All meat must be kept at 140 degrees F. or higher after cooking. The cooking area must be maintained in a neat and orderly manner and left as it was found on arrival. Trash must be appropriately tied in bags and placed in committee-designated containers that will be provided. No cooker trash (especially meat scraps and grease) is to be placed in the Festival Area public trashcans by cooking teams. Violators will be required to remove the trash to the designated area. No pets in the cooking/prep area (as per health department regulations). Water and electricity will be provided in the cookers area.
4. **Entries per pit:** Only one team will cook on each site on a given BBQ pit.
5. **Open Fires:** Open fire barrels may be used in some areas. In the interest of safety, a barrier must be placed around such fires. A fire extinguisher must also be on site for every team. **Absolutely no fire coals or ash are to be dumped on the street in the Festival Area.** Cold ashes only may be dumped in the designated area.
6. **Barbeque Pits:** All pits will be allowed, including electric, gas, charcoal, pellets and/or wood. **Specify your type of pit on the registration for the staff to anticipate team needs.**
7. **Judging Process:** South Carolina Barbeque Association Certified Judges will be judging this contest in a blind judging format. No judge may judge more than eight entries to ensure that your barbeque will be given every consideration. The SCBA has a system that virtually guarantees no ties in scoring. However, if there is a tie in scoring, the SCBA will assign Senior Certified Judges to an additional blind judging. Copies of scores will be available after judging and may be found on the SCBA web site (scharbeque.com).
8. **Blind Number System:** The SCBA issues blind numbers that are generated by a computer driven random-number generating system. That means regardless of the number that has been assigned to your cooking team, the judges will see a team's random-number only. And while the judges will see the randomly selected number, they will not know to which team it applies.

PIEDMONT BLUES AND HASH BASH

Presented by the Greater Abbeville Chamber of Commerce

- Judging Trays:** Styrofoam trays with hinged lids and without dividers will be given to each team for all entries. All trays shall be clean and free of any marking when they are turned in for judging. Random numbers will be issued to trays at turn-in.

HASH COMPETITION

BARBEQUE TEAM DIVISION

Hash as defined for [The Piedmont Blues and Hash Bash](#) is: A blend of pork and/or beef, potatoes, onions, spices and other seasonings.

This division is for the barbeque teams that are also competing in other categories. There will not be an additional entry fee for the hash category. The teams shall provide their own ingredients and must provide one quart of hash for judging. You can cook any quantity you like, but we request that you cook enough to provide for sell to the public to enter the judged competition.

Meat may be pre-cooked and once the team is on site, the various other ingredients may be added for the final stage of cooking. **Pre-cooked meat brought to the festival site must be maintained at temperatures of 40 degrees F. or below or at 140 degrees F. or above. Strict adherence to this regulation is mandatory.** All on-site meats will be inspected before cooking begins.

(Event and DHEC regulations may also be printed from the web-site www.bluesandhash.com or mailed to you upon request from The Greater Abbeville Chamber of Commerce.

This is a separate event and points here **will NOT be counted toward your Team BBQ score.** There will be a **First Place Trophy and a Second Place Trophy in this division. No cash awards in the Hash Division.**

A **Required Cooker's Briefing** will be held at the Judge's Center on Friday at 5:00 PM to explain the rules and answer any last minute questions you may have. You will need to send your team leader or another active team representative to this meeting. **Failure to attend this meeting could be cause for disqualification.**

Teams may cook with electricity, wood and or charcoal, as well as gas. (Please make note of fire pit restrictions).

Turn-In Times: Please carefully note the turn-in times for your HASH and be sure to be on time. Turn-in boxes must contain enough hash samples for eight judges (one quart).

The box should contain hash only, no rice, bread, or garnish of any kind.

One of the highlights of [The Piedmont Blues and Hash Bash Festival](#) is to provide the festivalgoers the treat of good barbeque and hash. We can only do this with your help. Please plan on being a vending cooker if at all possible. **The main charitable income the festival will generate is from your sales of BBQ and hash.** The sale of BBQ and Hash will begin at 11:00 AM on Friday and 11:30 AM on Saturday and continue until we have sold out or at 4:00 PM on Saturday, whichever comes first. We are asking that you have your people at your site for this purpose. If you discover that you need extra vending help, the event will try and provide a volunteer if one is available. All non-vending teams are requested to return all cooked, festival supplied meat not required for competition by 12:00 noon on Saturday to be sold to the public.
